

Dear Patient,

Thank you for scheduling your Chiropractic care appointment with us.

In an effort to assess your back/neck complaint(s) please print and then fill out the questionnaires.

Please **do not** email the completed forms back to us. Bring the completed forms with you on your appointment date.

We have included the "Pain Scale" that defines the intensities and types of pain. Please use this as a guide to define your pain scale.

Should you have any recent imaging studies: x-rays, MRI's or CT's of the area of complaint please provide us with a copy.

We look forward to meeting you and addressing your back/neck concerns.

Missed Appointment Policy – cancellation or reschedule with 24 hr. notice – no charge (leave a message on answering machine between office hours or days we are closed).

Thank You,

Achieve Health Chiropractic and Clinical Nutrition
